GET TO KNOW OUR BENEFITING ORGANIZATION

The Hub Las Vegas is on a mission to give everyone in our city access to a restored life.

Through the 5 lanes of The Hub, we provide holistic care by reaching teens who are identified sex trafficking survivors, individuals experiencing homelessness and poverty, support for teachers and children in Title 1 schools throughout our city, providing care teams and support for foster, adoptive and kinship families, as well as offer racial reconciliation classes, trafficking training, outreach and more.

Together we are making an impact on the lives of those who call Las Vegas home, making our city a better place for all.
